TERMS—5% discount allowed on C.O.D. or cash with orders. Customers having established credit with us, 30 days net. Legal rate of interest will be charged on all accounts over 60 days.

LINING OUT STOCK—Please do not order less than 25 of any variety in lining out stock.

DELIVERY —FREE DELIVERY to most points in Southern California. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use safest and cheapest method. Unless instructions are given we will use the method we think best.

PACKING—There is no charge on labor for packing; however, where packing is required, we do make a charge of 15c per hundred on all lining out stock and 5c apiece on gallon cans for actual cost of material used in packing.

NON-WARRANTY—We give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any nursery stock, trees or plants we sell, other than the original price of the stock at the date of sale.

THIS LIST CANCELS ALL PREVIOUS ISSUES—Prices subject to change without notice.

WE ARE A PINK TICKET NURSERY—It certifies that stock from which shipment is made has been found free of pests not of general distribution in Los Angeles County and is released for planting in said county without further inspection.

OUR INTRODUCTION

Pyracantha Rosedale

Trade Mark Registered

FOR the last six years Pyracantha Rosedale has proven itself to be the finest variety of this excellent red berried shrub. Berries exceptionally heavy, large, brilliant scarlet covering the long graceful branches. Makes a 6-8 foot shrub, reliably hardy and dependable for winter berries. Recommend this to your customers. The shapely pyramids in full fruit are hard to beat.
